4.3.2 Student – Computer ratio (Data for the latest completed academic year)

4.3.2.1. **Number of computers available for students usage during the latest completed academic year:**

HEI Input: 157

DVV Clarifications	HEI Response
1. HEI is requested to kindly note that as the data provided in the stock register is not matching with the HEI input, please relook and provide correct revise data.	The stock register included all the computers in the campus. The computers used for student use are highlighted. The summery with page no and count matching the claimed count is made available in the index page for validation.
2. Kindly note that as the provided bill for the date 3/7/23, 16/6/16 is beyond the assessment period, which should not be considered. please relook and provide correct revise data.	The computers purchased in 16/16/16 are available for student use till date. The Mac ID of the systems are submitted for consideration and approval. The bill is generated on the date 3/7/23 but the systems are provided by the vendor on 18/04/2023 against the purchase order dated 18/ 04/ 2023. The installation certificate dated 18/04/2023 which is with the assessment period is submitted for kind consideration. **View MAC ID**
3. Please provide ALL bills for the purchase of the computers.	**View**
4. Please provide the number of the computers use for the students.	**View**
5. Please provide the stock register and highlight the relevant entries for the computers allotted for student use.	**View**
6. Kindly note that computers purchased after the latest completed academic year not to be considered.	HEI has not considered computers purchased after the latest completed academic year
