Awards and recognitions received for extension activities from government / government recognised bodies

Response:

CT Institute of Management & IT (CTIMIT) was started in 2001 by the CT Educational Society which was established in the year 1997 by CT Group, has made a significant impact not only in academics but also in Educational and Social Responsibility (ESR), extension activities, and community engagement with government and non-government agencies. The institution has been recognized and awarded for a range of extension initiatives, including health awareness campaigns, blood donation camps, rural education and technology awareness programs, development of rural-specific technologies, support for old age homes and orphanages, and contributions during the COVID-19 pandemic.

The institute has received appreciation from district administration Jalandhar, Letter of Appreciation for implementing the recommendations suggested during the Green, Energy and Environment Audit Process from Greenvio. Additionally, it has been received the ISO certification of the institution and the certification of excellence awarded by **International Institute of Organized Research I2OR**. The Institution has well established Innovation cell under **Institutes Innovation Council (IIC)**. Another feather in the crown of CT Group of Institutions is the recognition from the **University Grant Commission (UGC) - New Delhi under section 2(f) of the UGC ACT, 1956.**

In healthcare, the institution has consistently organized blood donation camps, alongside various medical aid programs, garnering recognition from government-recognized agencies. Over 200 students and faculty members have donated blood, showcasing their commitment to public health. Collaboration with the '**Mother Taresa NGO**' for donation, the institution has consistently extended support to the underprivileged, including the elderly, disabled individuals, and orphans. Initiatives such as 'share & care,' cloth donations, financial assistance, and healthcare support to old age homes, orphanages, and shelters have garnered recognition from relevant agencies. During the COVID-19 pandemic, the institution's resilience shone through. The institution donated masks, sanitizers, and medical aid. Environmental consciousness is another area where the institution excels. Students and faculty actively participated in cleanliness drives under the Swachha Bharat Abhiyan, earning praise from the foundation's trustees.
